INDEX
THE FREEMAN
Volume 43
January-December 1993

Prepared by John Dogger and Beth Hoffman

NOTE: In page references, the number preceding the colon designates the month, the numbers following refer to pages. All articles have at least three entries—author, title, and subject—except in a few cases when the title and the appropriate subject coincide. Books reviewed are listed alphabetically by their author(s) on page 503; the names of their reviewers are included in the master index.
